4th MONDAY OUTINGS

22nd Jul - 8am

Maroochy Wetlands – Sports Rd, Bli Bli

The Bli Bli wetlands have great floristic diversity with dry eucalypt, melaleuca and casuarina forest with salt marsh and mangroves on the banks on the Maroochy river. This results in a large variety of fauna at the site and a great opportunity to see and hear a range of species. It is a perfect time to walk through the reserve utilising the upgraded boardwalk so let's see what we can find.

Meeting Point: Follow the signs to the Wetlands with parking at the end of Sports Rd, Bli Bli.

Wildlife Preservation Society of Queensland Sunshine Coast will be holding the following Wildflower Festival walks. Please see the following link for more details and email sunshine@wildlife.org.au for more information and to reserve a spot.
