Newsletter 104 Sep 2024

4th MONDAY OUTINGS

23rd Sep - 8am

Jill Chamberlain Reserve, Caloundra

On the last visit rain got the better of us so we will try again on this 31 hectare bushland reserve that has a great mix of eucalyptus species including flooded gum, blackbutt, and ironbark. With Allocasuarina also on the site hopefully we will get to see a glossy black cockatoo.

Meeting Point: Starting point is at the corner of Winchester Rd and Oakwood St, Caloundra.

28th Oct - 8am

Hawthorn Park, Marcus Beach

This one is a special place to keep to yourselves. Starting at Hawthorn Park we will enter the Marcus Beach section of Noosa National Park. Walking on fire tracks past large stands of Allocasuarina, Banksia and Eucalypts, and at lower relief Sedge and Melaleuca. There are a broad range of fauna and flora to be seen.

Meeting Point: Type in 45 Hawthorn Grove, Marcus Beach into you're your navigator that is just next to Hawthorn Park.

25th Nov - 8am

Kathleen McArthur Regional Park, Wurtulla.

Named in honour of one of the founding members of Wildlife Queensland this park protects coastal vegetation of wallum heathland, woodlands and dune plant communities that once covered a large area of the Sunshine Coast and forms a last refuge for its flora and fauna.

Meeting Point: Parking is at the corner of Coongarra Esplanade and Bareki St .

Faunawatch Regular Survey Maroochy Bushland Botanic Gardens

Our regular Maroochy Bushland Botanical Gardens walks continue through 2024. This survey on the second Wednesday of each month provides an opportunity for anyone to come along and find out more about Faunawatch. Meeting in the car park we start with a walk on one of the several trails in the gardens followed by BYO morning tea.

Here are the dates for 2024's outings with each starting at 8am;

Wednesday 09th Oct 2024
Wednesday 13th Nov 2024
Wednesday 12th Feb 2025

Faunawatch would like to thank the Sunshine Coast Council for their continual support of the program through the Environment Levy Partnership Fund.
